Bulletin 2A

Changes and additions to Bulletin 2

This Bulletin 2A is a supplement to Bulletin 2. All dates will apply from the publication date of Bulletin 2.

Additional participants -

With regard to CIAM General Rules (Volume CGR) C.5.3 f), then we would like to draw your attention to this rule in its entirety below.

C.5.3 National team for World and Continental Championships

f) Each CIAM Sub Committee taking into account, the financial viability of an event, the expected number of participants based on statistical information from previous events, may consider, working together with the organizer to propose to CIAM Bureau an alternative way to allow more competitors to participate, so to make the event happen, instead of cancellation due to limited number of participants.

For this the S/C has to consider:

- the maximum total number of competitors, which will allow the event to happen within the defined period.*
- the minimum number of competitors under which the event is no longer financially viable.*

Competitor Invitation Procedure Phases

Phase 2

In such a case and with the approval of CIAM Bureau the organizer may send out invitations to the NACs which already had expressed with the PEF, their intention to participate. At the same time, even the relevant CIAM S/C may also send invitations considering the World Cup ranking or similar criteria, which will ensure that the invited participants in Phase 2 are competent to participate in an FAI First Category event.

Invitations for Phase 2 shall not exceed the maximum number of participants allowed for the event.

The participants who will be invited by the S/C must also have the approval of their NAC in order to participate.

The invited participants in Phase 2 can only be part of the individual classification.

Registration from participants invited of Phase 2, will not be accepted later than 90 days for World Championships or 60 days for Continental Championships before the start of the event. This deadline is set so to allow the organizer and CIAM Bureau to decide for the event.

As the organisers we sought CIAM Bureau approval for implementation of the above ruling and this was granted. So we are kindly asking those NACs that have already

registered participants, if they want to register additional participants according to the provisions mentioned above. The S/C already suggested 3 competitors for whom we will also seek their NAC confirmation. You may use the Final Entry Form for this as well.
